

# TRACK CLUB PARENT TEXT MESSAGE GROUP

This is a one-way text-message announcement service. It is optional but you may find it useful if you would like to receive urgent messages (e.g. practice cancelled due to lightning) quickly & conveniently on your cell phone in addition to the usual email route. This is not meant to replace emergency contact information, which you provided at the time of registration.

## Instructions:

Text the message **@keda69** to the number **81010**.

If you're having trouble with **81010**, try texting **@keda69** to **(608) 807-5382**.

*\* Standard text message rates apply.*

Then, follow instructions that appear in the text message you receive on your cell phone, in order to complete the process.

**NOTE:** Despite what may appear in the confirmation message you receive on your phone, you **ARE NOT REQUIRED** to download or install any app on your phone. Once you get the confirmation message, you are all set! Feel free to delete the welcome message.
